

## **Karen Kelsch Memorial Scholarship Established**

The Karen Kelsch Memorial Scholarship was established in memory of Karen Kelsch, a 27-year staff member at Boise State who passed away in November. She spent four years working in the dean's office for the College of Health Sciences before accepting a management assistant position for the dean in the College of Social Sciences and Public Affairs. Kelsch returned to school as a non-traditional student while continuing to work full time at Boise State. In 1990 she completed her bachelor of business administration degree in administrative services.

In Kelsch's honor, this scholarship assists bachelor of general studies (BGS) students pursuing the BGS degree as non-traditional students. The degree is part of the AfterWork program at Boise State. Any BGS student taking six or more credits is eligible to apply for the scholarship. Students must have a current GPA of 3.0 and be at least a junior.
