Opportunities for High School Students to Earn University Credits

boisestate.edu/concurrentenrollment

BOISE STATE
UNIVERSITY
EXTENDED STUDIES

SPECIAL INVITATION FROM THE HONORS COLLEGE FOR STUDENTS PLANNING TO ATTEND BOISE STATE UNIVERSITY

The Honors College at Boise State University offers talented, highly motivated students the personalized attention of a small liberal arts school while drawing upon the resources of a large university. Open to majors from all academic disciplines, the mission of the college is to challenge and support a community of outstanding students to become more effective thinkers, writers, and leaders as they prepare for lives of meaningful work, public engagement, and lifelong learning.

Achieving Your Goals

No matter what your career plans may be enrolling in the Honors College will help you achieve your academic and professional goals. Among its benefits are:

- a curriculum featuring discussion-based, interdisciplinary, and special topics courses
- classes of no more than 25 students offered by outstanding professors
- individualized academic advising
- fellowships for summer research projects and study-abroad programs
- on-campus housing in the honors residence hall
- the camaraderie of other exceptional students with similar interests
- special academic, cultural, social, and public service activities
- recognition on your transcript and at commencement
- world class outdoor activities in the mountains and rivers that surround Boise
- priority registration for classes

EARN COLLEGE CREDIT WHILE STILL IN HIGH SCHOOL

Welcome to a new generation in concurrent enrollment opportunities. For the past 13 years Boise State has been working to build the premier dual credit program in the state of Idaho. Our focus is in providing students with rigorous academic courses, taught by highly qualified high school instructors, all in the familiar high school environment. Students and instructors use Boise State curriculum, texts, and grading scales. Most of the classes offered for dual credit are from the general education core applicable to any degree a student chooses upon entering a college or university. Credits are transferable to most other accredited colleges and universities in Idaho and across the United States.

Boise State University's Concurrent Enrollment Program is accredited by the National Alliance for Concurrent Enrollment Partnerships (NACEP)

ELIGIBILITY REQUIREMENTS

- > Students must be 16 years old or have successfully completed at least half of high school graduation requirements.
- > Have a minimum cumulative grade point average of 3.0 or instructor approval.
- > Have the signed approval of a high school representative and parent or guardian.

STUDENT BENEFITS

- > Experience the rigor and intellectual challenge of college while in high school.
- > Pay for class at the \$65 per credit Concurrent Enrollment rate, not the regular \$237 per credit rate.
- > Access to the Albertsons Library for research: library.boisestate.edu.
- > A student ID card. To get your student ID card visit the Bronco Card office in the Student Union Building. Call 426-4171 for specific hours.
- > Access to the Writing Center for help with written work: boisestate.edu/wcenter.
- > Free tutorial services: academicsupport.boisestate.edu
- > An email account and access to BroncoWeb.
- > Discounts for campus events, lectures, and the Game Center.
- > Earn a letter grade which is recorded on a Boise State transcript.

CONCURRENT ENROLLMENT PROGRAM

Dual Credit Information for Courses Offered at Your High School

Instruction	High school instructors teach courses at the high school. Boise State reviews and approves course content and instructor credentials to ensure university equivalency.
Course Registration	The staff at the Division of Extended Studies will process your concurrent enrollment admission and registration. Students may apply and register for classes using the form on the inside back cover of this brochure, or print out an application form online at boisestate.edu/concurrentenrollment Application Deadlines: Applications are due to Concurrent Enrollment two weeks after the classroom presentation. The application deadline will be on the Registration Checklist during the presentation. > Registration closes Wednesday, October 12, 2011 for fall and year-long classes. > Registration closes Friday, February 17, 2012 for spring classes.
University Credits	Student is concurrently enrolled at Boise State and at the high school and will receive course credit and a grade from both institutions. Concurrent enrollment credits are transferable to all Idaho colleges and universities and most out of state institutions. Credits may be accepted for meeting major or general education requirements or as electives. It is the student's responsibility to consult with the college of their choice regarding transferability of any university credits earned.
Class Fees	The cost for dual credit is \$65 per credit. For example, \$195 for a 3-credit class or \$260 for a 4-credit class. There is no additional application or registration fee.
Need-based Scholarships Available	Students who qualify for free or reduced lunch are eligible for need-based scholarships. Students can get information and print out the scholarship application form online at boisestate.edu/concurrentenrollment/cescholarships.html . Applicants who are not awarded a scholarship have a due date of October 28, 2011 to pay for their classes.
Request Transcripts	Classes are graded A+ through F. The course grade will be recorded on a Boise State transcript. Check your BroncoWeb student account for grade before ordering your transcript. Students can request official transcripts through their BroncoWeb account or go to registrar.boisestate.edu and click on "Forms." The cost is \$10 per official transcript.
Withdrawal From Class	If you decide to withdraw from the program, you must officially drop the class by contacting the Concurrent Enrollment Coordinator, Kristi Lakatos, at (208) 426-3294, or by emailing klakatos@boisestate.edu . Drop Deadlines: > Friday, November 4, 2011 for fall and year-long classes > Friday, March 16, 2012 for spring classes

Borah High's English students during a campus visit at Boise State.

“High achievers in high school need to be challenged beyond what is ‘good enough’ to make the grade. When they are expected to write and think like college students, their attitude changes. No longer are they cruising through high school. They’re reaching for excellence, and they’ve got the credits to show for it.”

- Melinda Garcia, Homedale High School
English Instructor, Concurrent Enrollment

Understanding The Differences Between The Concurrent Enrollment Program (CEP) And The Advanced Placement Program (AP)

Boise State’s **Concurrent Enrollment Program** refers to classes offered to high school students for both high school and Boise State credit. Students participating in concurrent enrollment classes receive dual credit for specific courses offered at their high school. Concurrent Enrollment allows the student to earn an actual letter grade for the course based on work completed during the duration of the class. Students may request that their transcript be sent to the college or university of their choice. Credits are transferable to most accredited colleges/universities. **Students are strongly encouraged to contact the college/university of their choice to request information about credit transferability.**

The **Advanced Placement Program** provides college credit based on the performance on a cumulative exam administered in May. For exam scores of 3, 4 or 5 some universities award credit or waive a specific course. For some courses with labs, the lecture portion of the course is all a college can accept. For AP courses, no course grade or transcript is generated. Students may request scores to be sent to the college or university of their choice. **Students are strongly encouraged to contact the college/university of their choice to request information about credit transferability.**

*In addition to the AP score, approval from the Department of Chemistry and Biochemistry is required.

HOW TO APPLY

Application/registration forms will be distributed by the program representatives in the classrooms of participating high schools.

Applications are due to Concurrent Enrollment two weeks after the classroom presentation. The application deadline will be on the Registration Checklist handed out during the presentation.

- Registration closes **Wednesday, October 12, 2011** for fall and year-long classes.
- Registration closes **Friday, February 17, 2012** for spring classes.

Students return the registration form to their teacher along with a check or money order made out to Boise State University.

HOW TO PAY

The course fees are \$65 per credit (example: a 4-credit biology course is \$260).

- **Check** – Please make payable to Boise State University, write the student's name and school on the memo line and attach to the registration form.
- **Money Order** – Please write the student's name and school on the memo line and attach to the registration form.
- **Credit Card** – Credit card payments can only be done through BroncoWeb once student's registration is processed. To pay your bill by credit card, log onto BroncoWeb after you get your admission letter*.

* When students are admitted, they will receive an admission letter with information on how to access their BroncoWeb and BroncoMail accounts. The admission letter contains the student's Boise State ID number and username. Both are needed for access to BroncoWeb student records. Students should check their BroncoMail frequently for updates, especially on class fees and balances. Once you receive your admission letter, you can go to BroncoWeb Help at **broncoweb.boisestate.edu/documentation** to learn how to navigate the BroncoWeb system or call the BroncoWeb Help Desk at (208)-426-2932.

SUMMARY

Concurrent Enrollment Credits are transferable to other colleges and Universities.

Credits may be accepted for meeting major or general education requirements or as electives. However, it is your responsibility to consult with the school(s) you wish to attend regarding the transferability of any University credits earned.

Boise State's Concurrent Enrollment credits are accepted by all Idaho public institutions of higher education. Boise State University is accredited by the Northwest Commission on Colleges and Universities and is the only public institution in Idaho to earn accreditation by the National Alliance of Concurrent Enrollment Partnerships (NACEP).

For official transcript requests, after grades are posted, students can go to their BroncoWeb account or they can go to **registrar.boisestate.edu** and click on "Forms". The cost is \$10 per transcript.

Concurrent Enrollment students do not qualify for federal financial aid.

Concurrent enrollment students do not qualify for financial aid because the federal government requires students to have received a high school diploma or its equivalent to be eligible for federal grants or loans. However, there is a need-based scholarship available (see page 3).

Registration Process for Concurrent Enrollment Courses.

Application/registration forms will be distributed by a program representative in the classrooms of participating high schools. Applications are due to Concurrent Enrollment two weeks after the date of the classroom presentation. The application deadline will be on the Registration Checklist during the presentation.

- Registration closes Wednesday, October 12, 2011 for fall and year-long classes
- Registration closes Friday, February 17, 2012 for spring classes

Return the registration form to your teacher along with a check or money order made out to Boise State University. The course fees are \$65 per credit (example: a 4-credit biology course is \$260). Applications can also be printed from the website: **boisestate.edu/concurrentenrollment**.

A student can enroll in a Concurrent Enrollment course and also take the AP test exam.

A few classes are offered for both Concurrent Enrollment and AP credit. To enroll in Concurrent Enrollment, a student must do so at the start of the semester, as well as take the AP exam in May. A college or university will only award credit for one program. Students attending Boise State University after graduating will already have the Concurrent Enrollment course listed on their transcript.

Student withdrawal after registering for a Concurrent Enrollment Class.

If you need to withdraw from the Concurrent Enrollment Program, you must officially drop the class by calling the CE Coordinator at 426-3294. Drop deadlines:

- Fall 2011 classes – November 4, 2011
- Spring 2012 classes – March 16, 2012

Please note that the high school and collegiate registrations are separate. Failure to notify the coordinator will mean you will remain registered at the university for the course; should you not complete the course, a failing grade will be posted to your transcript.

Concurrent Enrollment students who plan to apply to Boise State after graduating from High School:

To become a full-time Boise State student, you will need to print the Concurrent Enrollment to Degree-Seeking application form from the Boise State Admissions website. Go to **admissions.boisestate.edu/apply/** and click on *Concurrent Enrollment Program Applications*. Click on *Concurrent/On-Campus to Degree Seeking Enrollment* to download the PDF application. Mail it to the Admissions office along with your official ACT or SAT test scores and high school transcript. There is a one-time \$50 application fee.

Submit all application materials by Feb. 15, 2012 to be automatically considered for scholarships. Full time degree-seeking application deadline is May 15, 2012.

To arrange a campus tour, call (208) 426-1156, or toll-free 1-800-824-7017, and choose Option 1.

Concurrent Enrollment is looking for high school instructors to teach courses in the program.

High school instructors should contact the Concurrent Enrollment Coordinator, Kristi Lakatos, at (208) 426-3294, email to klakatos@boisestate.edu or visit the program website at **boisestate.edu/concurrentenrollment** for further information.

Cut off application and submit as instructeds

Concurrent Enrollment Application and Registration Form

EXTENDED STUDIES

Students applying for Boise State Concurrent Enrollment classes offered at their high school must complete this application and registration form for each semester they wish to participate. Students must attach a check or money order for the credit fee. Please mark the checkbox if paying by credit card. The cost is \$65 per credit. This form must be approved by the appropriate high school representative before being submitted to Boise State University. **Registration due Wednesday, Oct. 12, 2011 for Fall and year-long classes. Registration due Friday, Feb. 17, 2012 for Spring 2012 classes.**

Materials should be sent to Concurrent Enrollment Program, Boise State University, 220 E. Parkcenter Blvd., Boise, ID 83706-3940. For questions call (208) 426-3294 or 426-2281. Fax 208-426-5621.

High School Representative _____ Date _____

For Student and Parent/Guardian to Complete:

I have read the information regarding the Concurrent Enrollment Program and understand the conditions of enrollment and the expectations of participation in concurrent enrollment courses. I understand that Boise State is oriented toward serving adults and that class discussions may include adult topics. I also understand that it is the student's responsibility to be informed about Boise State policies, such as drop-add and refund policies. To facilitate the program, I hereby give permission for Boise State to release college grades to the high school.
