

A STRATEGIC PLAN FOR EXTENDED STUDIES AT BOISE STATE UNIVERSITY

To support Boise State University's vision of becoming a metropolitan research university of distinction, the Division of Extended Studies establishes the following vision, mission, values and goals:

V I S I O N

The Regional Leader in Educational Outreach

Recognized For:

M I S S I O N

The Division of Extended Studies connects the resources of Boise State University with individuals, organizations and communities to maximize educational opportunity. Responsive and enterprising, the Division partners with the University's academic colleges to extend access to academic, professional development and personal enrichment opportunities. The Division accommodates a wide range of learners and their circumstances by developing programs that feature alternative formats and locations.

V A L U E S

The members of the Extended Studies team are the Division's greatest resource for achieving the vision and mission. Employees are united by a commitment to the following values:

- **Lifelong Learning** *(Supporting educational opportunities for people of varying ages and circumstances)*
- **Service** *(Responsive and helpful to students, faculty and other partners)*
- **Innovation** *(Enterprising, forward-thinking, agile, and committed to continuous improvement)*
- **Partnership** *(Collaborative, looking for opportunities to achieve shared goals)*
- **Integrity** *(Carrying out duties with respect, accountability and openness)*
