Calling all Knitters!

The 2008 Invitational Games, a prelude to the 2009 Special Olympics World Winter Games, are coming to Idaho February 25th–28th, 2008. Each delegate, family member, and guest will receive a gift bag upon arriving for the Games. To make the gift bags more personal, we are asking the residents of Idaho to knit a scarf that will be put into each gift bag. We have researched yarn and found Red Heart yarn color 0885—Delft Blue and 0311—White to be the colors to use. The design of the scarf is your personal touch. Once you finish the scarf, place it in a Ziploc bag with your name, address and a personal note and mail it to the address below by February 1, 2008. We have had yarn donated by Craft Warehouse and it can be picked up at our main office. For more information you can send an email to laura.cushing@2009worldgames.org or call (208) 377-7150.

Please mail your scarf to:
