Osher Lifelong Learning Institute

Course/Lecture/Event Proposal

Thank you for your interest in the Osher Institute. Institute members tend to be well informed, are intellectually curious, and have considerable life experience. **Courses**, which last 4-5 weeks, are offered once weekly in two-hour lecture/discussion sessions and are generally held at the Ron and Linda Yanke Family Research Park. The lecture series features freestanding lectures on a wide range of subjects. **Lectures** in the series last 1.5-2 hours, and discussions of current research are welcomed. **Special Events** include trips, workshops and unusual one-time opportunities. Our lecturers for the lecture series and the courses are drawn from faculty and community experts. Presenters receive an honorarium for their services.
