

Rules and regulations governing parking are in effect 24 hours per day, 7 days a week, 12 months a year unless otherwise specified.

Permit holders may be asked not to park in the BSU lots when events are scheduled.

#### Apartments and Residence Halls:

Only vehicles registered to bona fide residents may display a resident or apartment permit. If an individual moves out of a residence hall or apartment, the permit is to be surrendered to Parking Services.

#### Apartments:

University Heights, Manor, Park, Village and University Square apartments all have designated parking areas. Permits are required, allow parking in the appointed apartment lot only, and can be obtained for no charge at the Department of Parking & Transportation Services. Each family unit apartment is entitled to one space and one parking permit. Quad units of University Square are entitled to one permit per tenant and these permits are valid on the fourth floor of the parking garage only. If additional parking space is available in a tenant parking area, one extra permit per residence space, at current fee price, may be obtained. A service fee will be charged to transfer a parking permit when a permit holder moves from one apartment complex to another.

Visitor permits may be available on an occasional basis for a period of up to 5 days, at no-charge. Additional days may be purchased at current day pass rates.

#### Availability:

#### Residence Halls:

Morrison, Driscoll, Chaffee, Keiser, Taylor and the Towers residence halls have designated parking areas. Each resident is limited to one resident hall permit. With exception of summer transfers, relocating from one residence hall to another requires a service fee to transfer a parking permit. Resident Hall permits are valid in open general permit areas after 5:00 p.m. and all day on weekends.
