
DECLARATION OF A MAJOR

PURPOSE: To establish deadlines for the declaration of a major field of study.

I. Policy Statement

A student seeking a baccalaureate degree must declare a major field of study by the time s/he is classified as a junior.

II. Responsibility

Student in conjunction with his/her advisor.

III. Procedure

- A. A student seeking a baccalaureate degree will be classified as a junior when 58 credits have been earned.
- B. Students seeking a baccalaureate degree must declare a major when they are classified as a junior.
- C. Students may change their major at any time. However, students in programs with upper-division admissions standards must be formally admitted to the program to officially claim it as a major.
