B. Supplemental Salary Schedule

- i. All supplemental contracts are issued in conformity with the applicable provisions of Idaho Code.
- ii. The number of activities and the number of coaches/advisors that will be authorized for each activity are outlined in the supplemental salary schedule. If activity enrollment is below the minimum required to safely participate, then the corresponding position on the supplemental salary schedule will not be filled and no contract will be issued.
- iii. Building administration may add additional assistant coaches with building discretionary funds at a salary identified in the supplemental salary schedule for the requested position. Building administrators, with the approval of the Superintendent, may add assistants by dividing the total dollar amount available for that activity ensuring equal pay for equal duties.
- iv. Extracurricular activities are organized into three tiers identified by the level of contact involved in the activity and/or the level of time commitment involved. All sports will have a minimum of two coaches. If the sport is co-ed, one coach will be male and one will be female.
