Once you have determined who your FAFSA parent is, it is recommended that you log into your 2023-2024 FAFSA to ensure that this is in fact the parent reported on your FAFSA. If it is not the parent reported, please correct your FAFSA with the correct FAFSA parent (and their spouse, if they have remarried) and submit the verification documents needed for the correct FAFSA parent. If we determine that the incorrect parent has been reported on the FAFSA, we will ask you to make the corrections and provide the necessary documentation, which can delay the verification process.

Required Signatures: By signing this document, I certify that the information reported is complete and correct. If I purposely give false or misleading information, I may be fined, sentenced to jail, or both.
