## DEPARTMENT OF HISTORY

At Boise State University's Department of History, we are passionate about the value of history. Studying history provides us with the perspective to understand not just the past, but also ourselves and the world we live in today. Furthermore, historical understanding prepares us for future challenges and opportunities as citizens, scholars, and professionals.

Our courses, internships, and workshops develop understanding of fascinating topics as well as valuable skills in research, analysis, and communication — skills that lead to rewarding and fulfilling careers.

Connect with the Department of History to learn more about our courses, careers in history, department events, and more!
