This election form will remain in effect and cannot be revoked or changed during the plan year unless the revocation and new election are on account of and consistent with federal regulations. I understand that Health FSA reimbursements will be available only for qualifying medical care expenses for myself, spouse, and dependents. I also understand that Day Care reimbursements will be available only for qualifying day care expenses. I agree to notify the Employer if I have reason to believe that any expense for which I have obtained reimbursement is not a qualifying expense. I also agree to indemnify and reimburse the Employer on demand for any liability it may incur for failure to withhold federal, state or local income tax or Social Security tax from any reimbursement I receive of a non-qualifying expense, up to the amount of additional tax actually owed by me. I understand the benefits and I have read the reverse page. Additional Information

Health Care Flexible Spending Arrangement ("Health Care FSA")

- Reimbursement will only be available for qualifying medical care expenses as set forth in the Plan Document and Section 213 of the Internal Revenue Code. It is your responsibility to check the eligibility of an expense prior to enrollment.
- Group Medical Plan Premiums cannot be reimbursed through the Health Care FSA and will be deducted pre-tax through the Premium Conversion Plan. Therefore, do not include the cost of premiums in your FSA annual election amount.

Day Care Flexible Spending Arrangement ("Day Care FSA")

- Reimbursement will be available only for qualifying day care expenses as described in the Internal Revenue Code Section 129, the Plan document and the Summary Plan Description.
- Participation in a Day Care FSA will require you to complete tax form 2441 when filing federal taxes. If your plan includes a Grace Period any amounts carried forward or forfeited during a taxable year should be entered in Line 13 of Form 2441. If you or your spouse is a full-time student, please consult IRS Publication 503.
- If the Plan Year is less than twelve (12) months, the plan limit may be prorated to be less than the \$5,000 calendar year limit mandated by the IRS.

Use-It or Lose-It

- You must claim all elected funds by the end of the run-out period. After the run-out period is complete, unused Day Care FSA balances will be forfeited; this is referred to as the Use-it or Lose-it rule. Unused Health Care FSA balances up to \$500 will be rolled over to the subsequent plan year. Any Health Care FSA funds in excess of \$500 will be forfeited.

Day Care FSA Grace Period

- The grace period allows you to incur Day Care FSA expenses against the prior plan year through September 15th after the plan year ends. Day Care FSA expenses incurred after the end of the Grace Period are not eligible for reimbursement.

Claim Runout Period

- The claim runout period allows you to submit claims after the end of the plan year. Claims received after this period will be denied.

Lost Checks and Reissues

- Lost or stale dated FSA checks can be reissued 10 business days after the original check date. There is a \$25.00 check reissue fee. The check reissue request will require at least one business day to process.
- Any fees associated with presenting a canceled check will be deducted from your FSA as well as the face value of the check.

Direct Deposit

- All electronic funds transfers (EFT) will be initiated on the same day as the normal check reimbursement date. Deposits may take up to two (2) business days to appear in the designated account.
- Returned items due to incorrect banking information will be assessed a \$10.00 fee that will be deducted from your FSA balance.

Deductions

- FSA deductions will be deducted from your paycheck evenly throughout the plan year. You must indicate a per paycheck deduction on your enrollment form.

Change in Status

- All elections set forth are considered irrevocable for the entire plan year unless there is a qualifying change in status. Please consult the plan document or summary plan description for a list of qualifying events.
- In the event of a change in status the change in election must be necessitated by and consistent with the change in status and the change must be acceptable under IRS Regulations.

Eligibility

- You must be eligible to be enrolled in one of the state's medical plans in order to enroll in the FSA.
- Expenses must be incurred during the plan year and while you are an active participant in the plan. Any expense incurred prior to your effective date or after your termination date cannot be reimbursed.

Debit Card

- If you elect to use the card please keep in mind that you may still need to submit supporting documentation to verify that a charge is eligible. You will be notified via email if you have a charge that requires documentation. You can check your account online to view any outstanding charges or contact customer service.
- If you use the card for an ineligible expense or do not substantiate a charge within 75 days of receiving the first request for substantiation your card may be temporarily suspended to prevent further use. The IRS provides the participant with 2 methods for correcting an ineligible or unsubstantiated charge: a) repay the plan for the amount of the expense, or b) request the substitution or offset of future out of pocket expenses. If neither option "a" nor "b" is successful the final option illustrated by the IRS permits the employer to deduct the ineligible expense from the participant's wages or other compensation consistent with federal and state law.
- You will receive one card by default, but you can request additional cards for no additional fee.
