

Boise State School of Nursing Application

Applicants may seek accommodation support through the [Education Access Center](#).

This process must be initiated 30 days in advance of the application due date.

Thank you for applying to the B.S. in Nursing program at Boise State University!

All applicants are expected to regularly check their Boise State student email for notifications.

Any change of address OR name must be submitted to nursingadmissions@boisestate.edu.

- **Before you begin**, you will need to have a copy of your transcript handy. Submitting a complete and accurate application is important.
- We **strongly recommend** meeting with your academic advisor to review your responses before finalizing your application. Their insight can help strengthen your submission.

At the end of this application, complete the final step of paying the registration fee.

Once paid, your application will be complete and you will get a notification from the School of Nursing.

Please allow 4-8 weeks from deadline for processing and acceptance decisions.

Notice:

You **must** be admitted to Boise State University prior to completing this form. If you have not applied to Boise State University, please [submit your Boise State application first](#).

If you have any questions regarding this program or this process, please e-mail us at

Statements & Other Application Information

Your Success in the Nursing Program: The School of Nursing faculty and staff understand their responsibility to create and support an environment conducive to learning. We are committed to your success. However, it is equally important that you are aware of your responsibilities for your own success in the Nursing Program. Please read the list of expectations below. You will be asked to acknowledge understanding of the expectations as a Nursing Student.*

- The Nursing Program requires a full-time commitment for five consecutive semesters. Students are required to attend and be prepared for ALL scheduled classes, including on-campus and off-campus clinical experiences.
- All students are encouraged to submit their Free Application for Student Aid to [Boise State University Financial Aid](#) early to maximize their financial aid award possibilities. Professional behavior is required. Once you have been conditionally accepted into the program, you are responsible for adhering to the [Student Expectations and Responsibilities Policy](#). Any infractions to this policy during the time period between your conditional acceptance and the start of the semester to which you have been admitted can result in your dismissal from the program.
- **Both a mandatory pre-orientation zoom session and an in-person orientation is required prior to the beginning of classes.** The pre-orientation zoom session will take place around the time of registration. The in-person takes place on the Friday before classes begin and is usually 6-7 hours long.
- **Transcripts** Accepted students will be required to submit proof of completion and documentation of a passing grade ("C" or better) for "In Progress" course(s), by **June 15th** if starting in **Fall** or **December 30th** if starting in **Spring** .
