Please note: This disclosure is NOT limited to your criminal and substantiated abuse history in Idaho. Carefully read and respond to the disclosure questions below before signing this disclosure, as a lack of candor in making a full and complete disclosure may result in denial or revocation of your admission to the BSW program and/or your dismissal from the BSW program. This must be completed in addition to obtaining the required criminal background check.

2. Have you pled guilty to, no contest to, entered into a plea-in-abeyance, or been convicted of a misdemeanor in any jurisdiction within the past ten (10) years? If you answered "Yes" to any of the above questions, please enclose with your application complete information with respect to all circumstances and the final result, if such has been reached. You must submit a complete narrative of the circumstances that occurred for each and every criminal action, conviction, plea-in-abeyance, and/or deferred sentence, including the year of disposition, and also an explanation of your plans to cope with potential post-BSW limitations on your practice of social work. You must also enclose copies of all applicable police report(s), court record(s), and probation/parole officer report(s). If you are unable to obtain any of the required records, you must submit documentation on official letterhead from the police department and/or court indicating that the documentation is no longer available.

I hereby make the above full disclosure of my criminal and substantiated abuse history from all jurisdictions.

Ethical Statement

The expectation of professional social work behavior is grounded in the National Association of Social Workers (NASW) Code of Ethics. Please read the Code of Ethics available at: <https://www.socialworkers.org/About/Ethics/Code-of-Ethics>.

Through my signature below, I confirm that I have read the NASW Code of Ethics and agree to abide by that Code should I be accepted into Boise State University's Social Work Program. I understand that failure to demonstrate the markers of professional behavior and/or social work values and ethics as described in the NASW Code of Ethics may impede my progress in the program and may result in actions up to and including termination from the program. I understand that, although they may overlap, this differs from the academic review process in that it is not based on academic markers, but those that are necessary for professional social work development and behavior as a social work professional, and demonstrate my readiness for work in the field.
