WHAT YOU NEED

If your printer can handle thicker paper, print direct directly on your cardstock. If not, you can print on regular printer paper and glue to cardstock before cutting. And if you don't have cardstock, the bunny ear headband still looks great with computer paper!

**LETTER PAPER
AND/OR CARDSTOCK**

INSTRUCTIONS

STEP 1: PRINT AND CUT

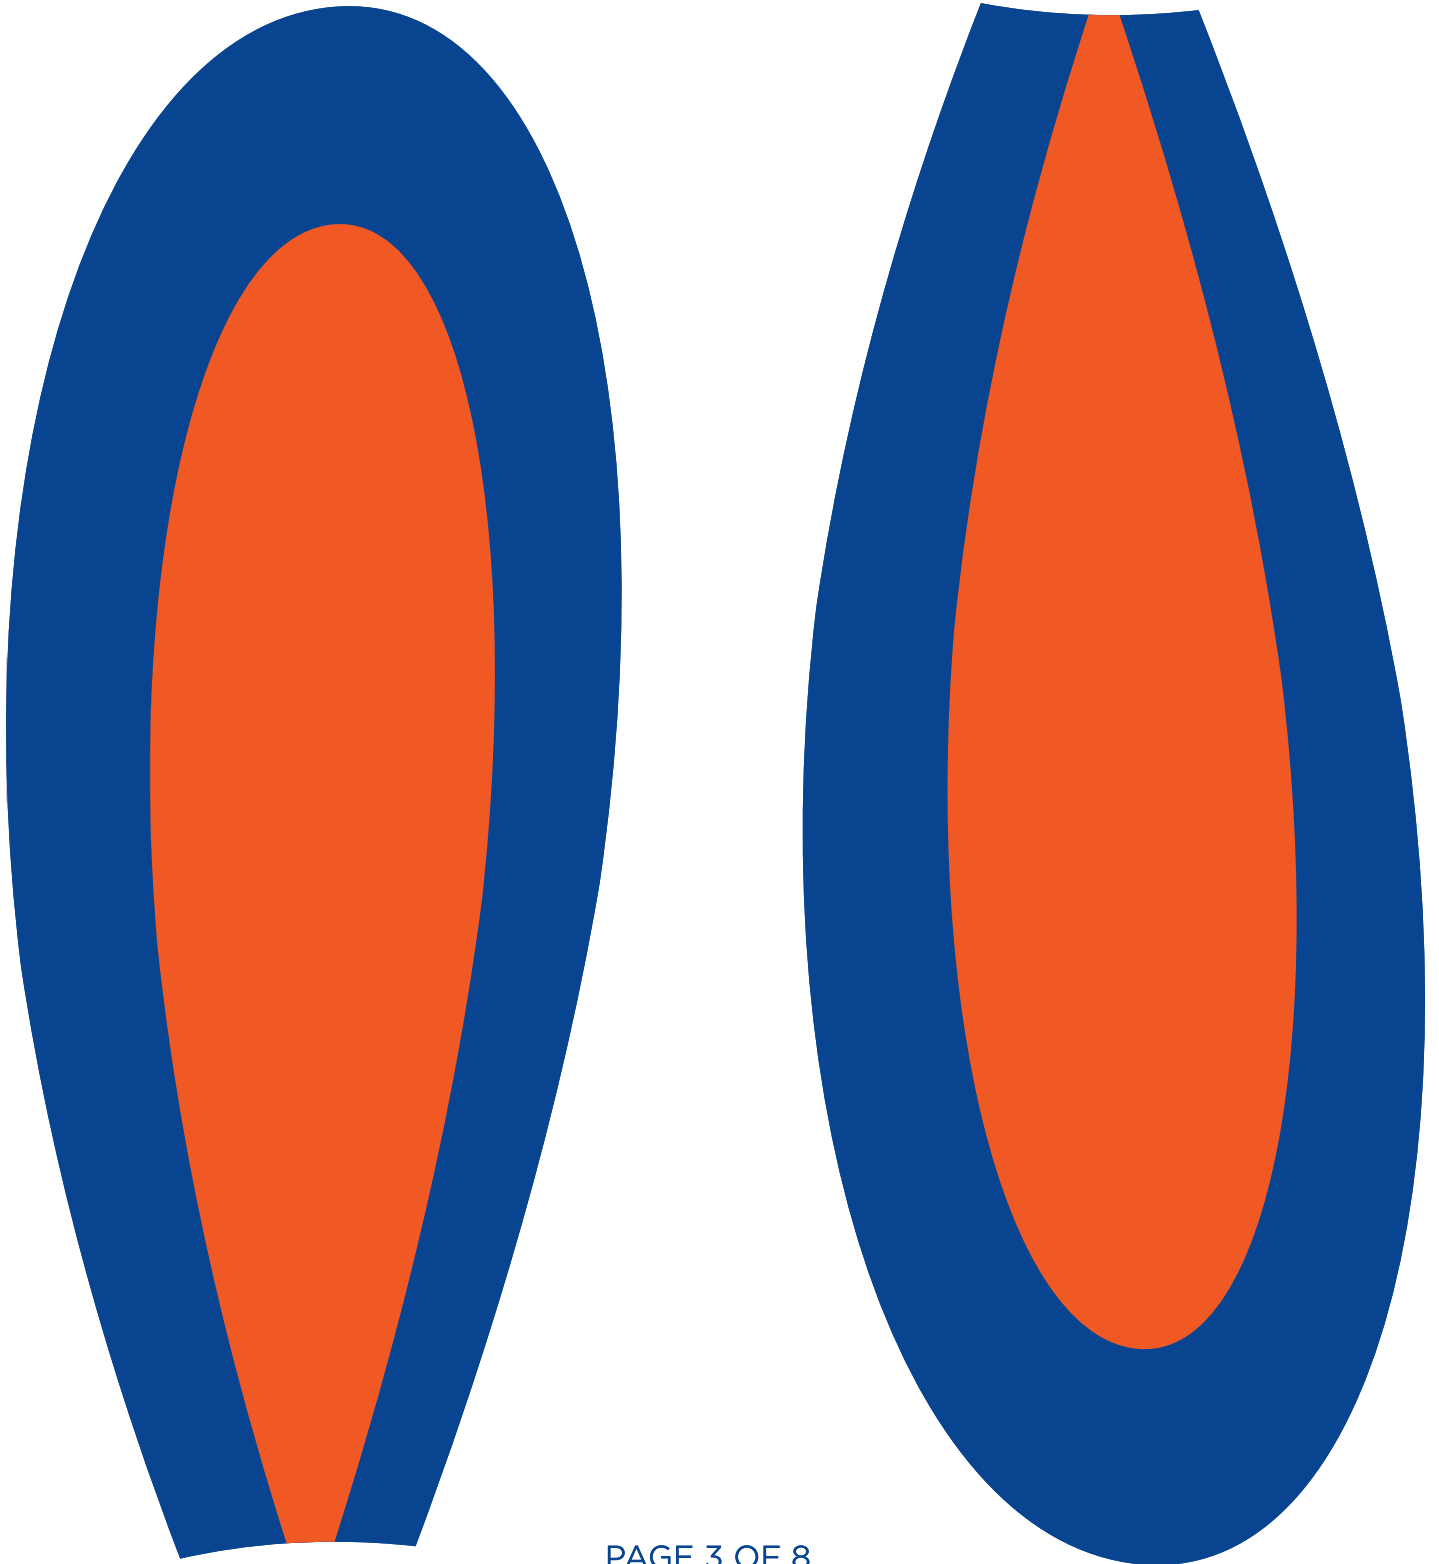

Print and cut out your preferred bunny ear and headband template.

STEP 2: GLUE PIECES TOGETHER AND WEAR

Glue the bunny ears to the headband strip. If needed, cut or attach more headband strips depending upon the headsize. Glue the ends together,

BRONCO STYLE

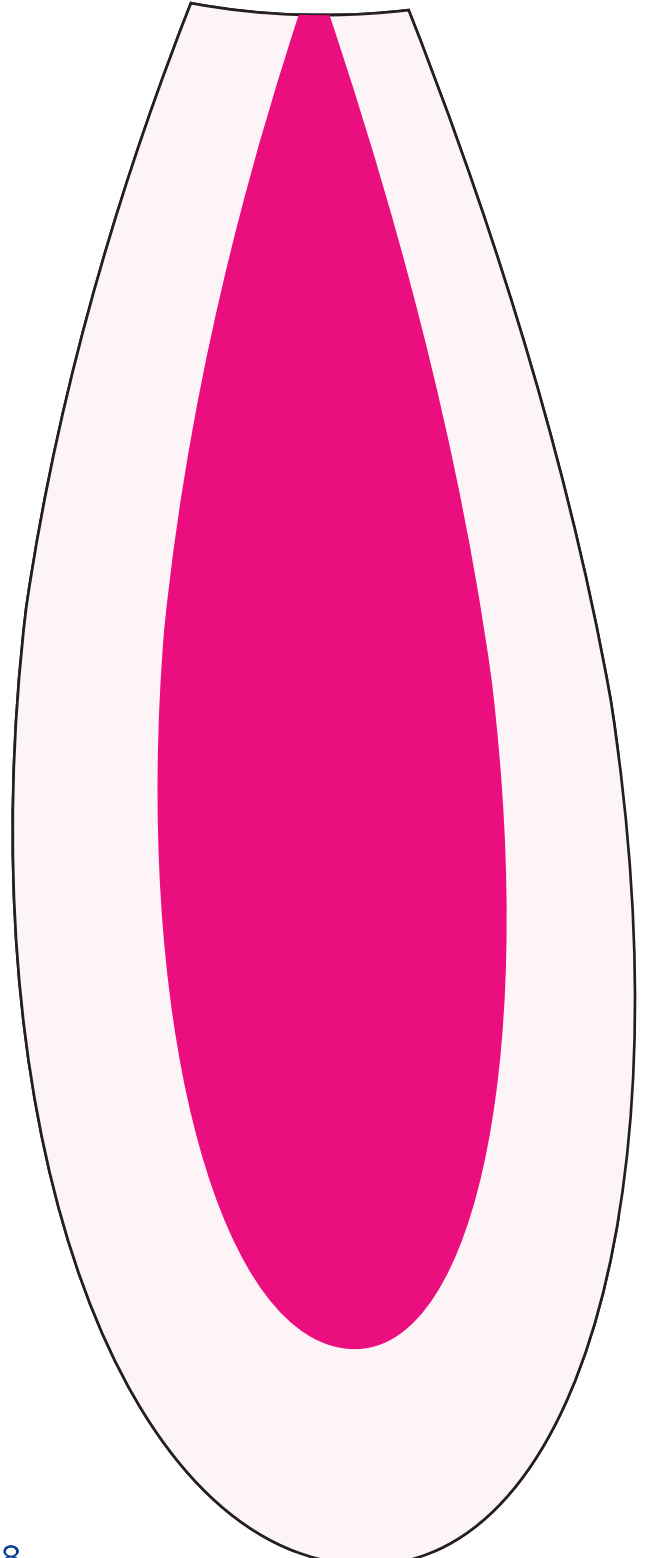

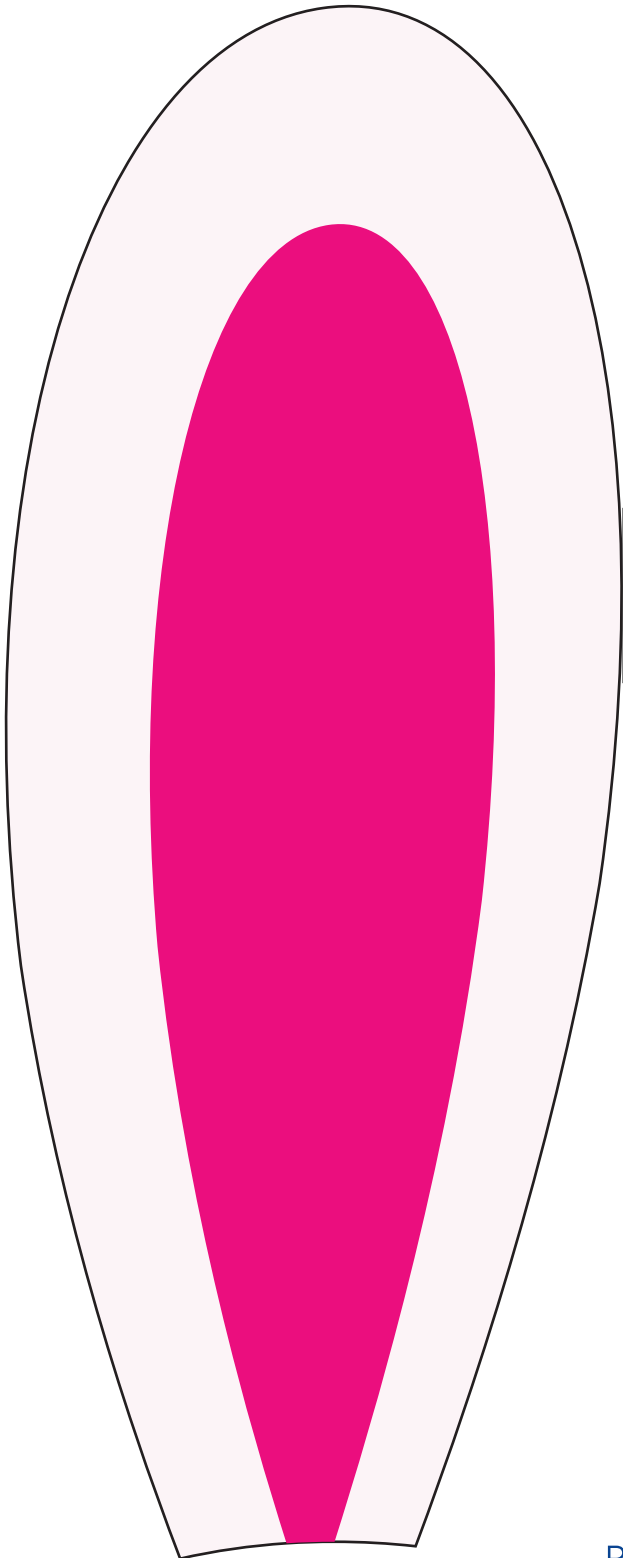

If you like your bunny ears like you like your football field,
than these blue and orange bunny ears are for for you!

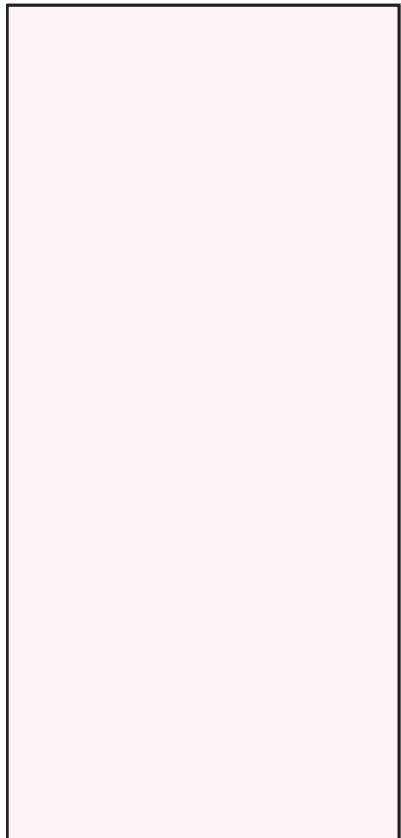

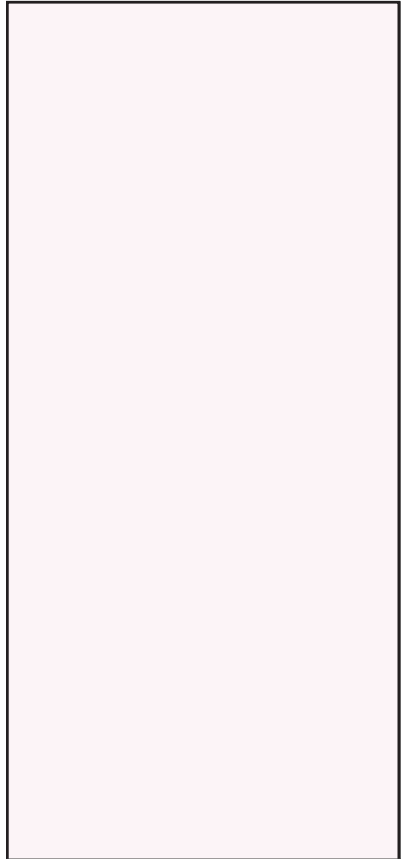

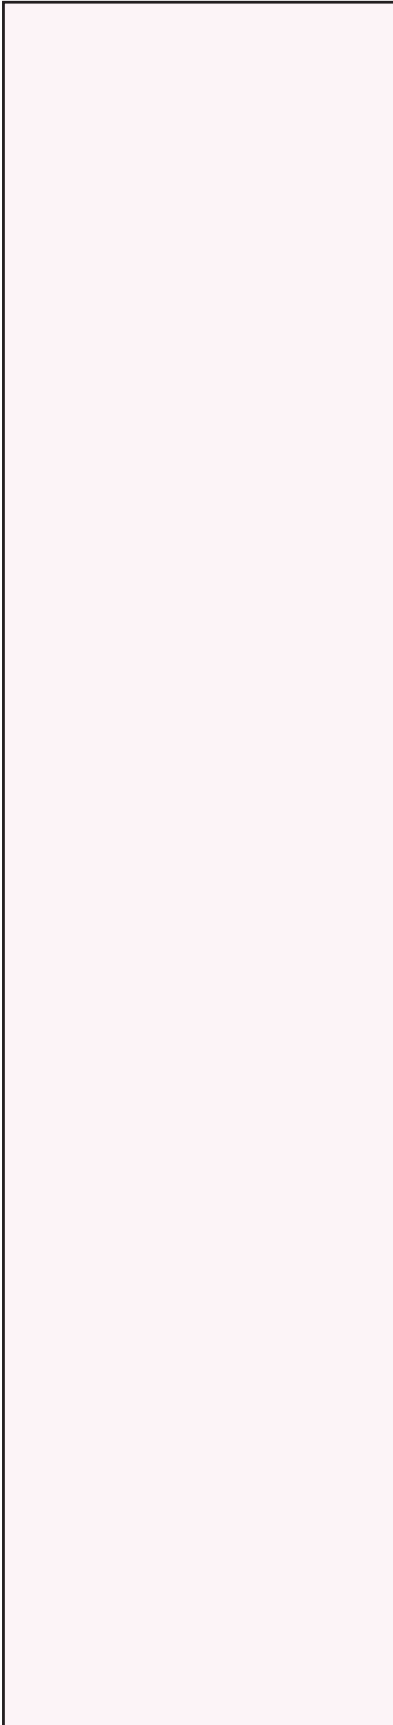

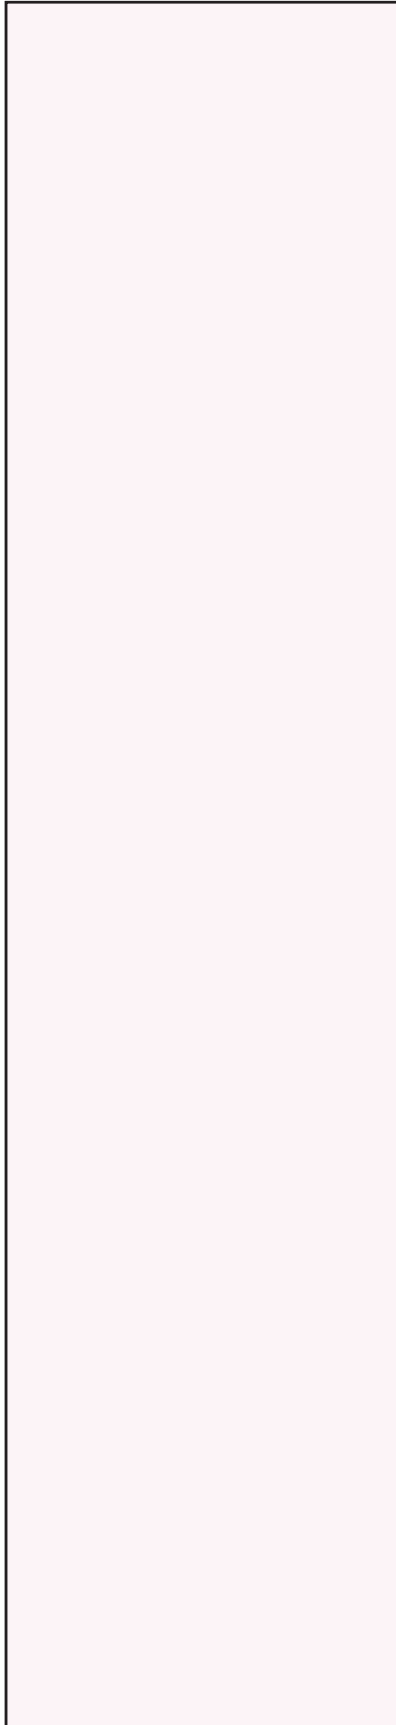

EASTER STYLE

If you are looking for a more standard and typical Easter Bunny look, check out these pink ears!

YOUR STYLE

Looking to let your creativity shine? Then this blank template is for you!
