Find an Existing Course

Extended Studies Personnel will continue to utilize Back Office to complete the new or initial assignment of sections after the roll of classes, prior to the first proof being opened up for editing.

BSU Pages and Reports> Student Records Menu> Use> Online Class Scheduling>Online Class Scheduling

1. Enter Search Criteria
   a. Term must be selected
   b. Choose Either Academic Organization or Subject
2. Choose “Find Existing Courses” button

3. Locate the Applicable Course
4. Choose “Review this class” button
Edit a Section

1. Choose “Edit this Section” button

2. Modify the Session drop down if needed
Add or Update a Meeting Pattern

1. Choose Edit Meeting Pattern/instructors link
2. Update the applicable fields
   a. The location drop down defaults to Boise Campus and will be utilized mostly for extended studies course locations off campus

Adding multiple meeting pattern dates
3. Choose the “Add another meeting pattern” link
4. Enter all additional meeting pattern data
5. Choose the “Save Changes” button
6. Message will display requesting if you would like to make further changes to the class/section

   Additional changes? (21610,18)
   Would you like to make other changes to this class/section?
   Yes [ ] No [ ]

7. Choose “No” to continue saving
8. If further changes are needed Choose “Yes” and system will direct you back to the data entry page
Deleting a meeting pattern date

9. Choose the “Delete this meeting pattern” link

10. Select **Ok** on the delete verification message

11. Choose the “**Save Changes**” button
Update or Edit the Instructor

1. Choose the magnifying glass for the instructor search option
2. Search for the instructor by EmpId OR name
3. Locate and Choose the correct instructor
   a. The system allows for more than one instructor to be assigned if needed by choosing the + symbol
   b. If you choose any of the column headings the system will sort the data by that column, i.e. choose last name and system will sort in alphabetical order
