

Dear (insert name),

In December 2020, Congress approved additional funds to assist students in need across the nation. These funds are to help students navigate current struggles due to the COVID pandemic. Based on the application you have submitted, Boise State has selected you as a recipient of these funds.

**If you did not indicate on your application to have your funds apply to an owing balance:**

Your funds will be released to you based on the refund method you have set-up. We encourage you to ensure your Direct Deposit is set-up for fast delivery. To set-up or check your Direct Deposit, please review this [help guide](#). Without Direct Deposit set-up, the funds will be sent by check to your address on file.

**If you indicated on your application to direct the funds to an owing balance for fall 2020 or spring 2021:**

When the funds release, they will apply to your current balance. If there are any funds remaining after your balance due reaches \$0, the remaining HEERF II funds will be refunded to you. Please let us know if you have any questions. We are happy to help you. Our office is open for in-person, phone, and email assistance.

Sincerely,

The Financial Aid and Scholarships Team
