

# WELCOME TO BOISE STATE!

Here's what  
Albertsons  
Library can do  
for you.

## Your Librarian

Your library liaison is your point of contact for anything library related. Find yours at: <https://library.boisestate.edu/about/liaisons/>

## Your Teaching

- ◆ Your library liaison can teach a research session for your class upon request.
- ◆ They are also available for one-on-one research consults for you or your students.
- ◆ Librarians can help access course materials, and assist in identifying open access resources.

## Your Research & Data

- ◆ Works by Boise State scholars, including theses and dissertations, are archived on ScholarWorks <http://scholarworks.boisestate.edu/>
- ◆ ScholarWorks also hosts data sets, and librarians can assist with data management plans.
- ◆ Librarians can help you navigate copyright and publishing agreements.

## Your MakerLab

- ◆ The library includes a MakerLab with tools & assistance for you and your students to 3D print and more <https://makerlab.boisestate.edu/>
