**For more information email  
[stem@boisestate.edu](mailto:stem@boisestate.edu)**

### Bridge to the Doctorate Fellowship Benefits

- Stipend of \$32,000 annually for the first 2 years. Tuition and fee supplement, up to \$12,000 annually.
- Continued funding support at unit level.
- Through to graduation with a doctorate (presuming making adequate progress towards degree).
- Community building among BD Fellows.
- Individual faculty mentors provided to Fellows.
- Participation in annual PNW LSAMP Alliance Conference and Graduate Showcase.
- Enriched academic and research opportunities

# Boise State PNW Graduate Fellows Program

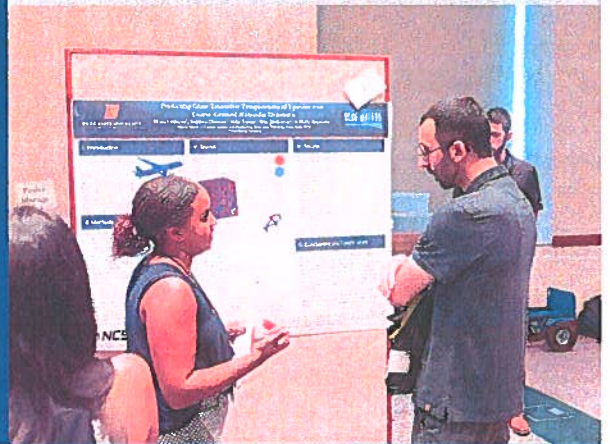

## Eligibility:

- Must be admitted to a Boise State STEM M.S. or Ph.D. program for fall 2020.
- Must be a U.S. Citizen, U.S. National, or permanent resident.
- Provide evidence of participation in LSAMP programs from the LSAMP Director/Coordinator at undergraduate institution.

## Why should you apply?

- BD program at Boise State is designed to support students through the critical first two years of graduate study.
- Fellows are welcomed to campus with a BD program orientation to build a community.
- Fellows receive additional mentoring, coaching, and support from faculty mentors and BD staff, to ensure their success in their STEM Graduate program.
