

# Career Center Services for Graduate Students

The Career Center is here to assist you with any of your career planning or job search needs. Below you will find information on some of the specific resources and services available to you.

## Career Planning Assistance

Whether you're trying to decide on a career path to pursue or make sure you take the right steps to become competitive for your desired career, we can help!

### Get Help In-Person:

- **Individual Appointments:** Meet with a career counselor for individualized career planning assistance. Schedule your appointment online at [boisestate.joinhandshake.com/appointments](https://boisestate.joinhandshake.com/appointments).
- **Career Assessments:** Several career assessments are available through our office, including Sigi 3 (no cost), the Myers-Briggs Type Indicator, the Strong Interest Inventory, and CliftonStrengths for Students. To take an assessment, first schedule an appointment using the link above.
- **Career Events:** Career Fairs and Employer Information Sessions are a great way to expand your network, explore future opportunities, and research how to make yourself competitive for future positions. Watch for emails from the Career Center and your academic department about upcoming events.

### Get Help Online:

- **Virtual Career Center:** Use our Virtual Career Center ([career.boisestate.edu/virtualcareercenter](https://career.boisestate.edu/virtualcareercenter)) to easily navigate to any of our online resources. Here are a few career planning resources to check out:
