Education

January 1992 to July 1992

Certificate of Completion-Computerized Tomography and Magnetic Resonance Program, Loma Linda University, Loma Linda, California.

Fall 1988

Masters in Education (M.Ed.) Arizona State University, Tempe, Arizona. Educational Technology with emphasis in Instructional Design, Technology, and Assessment.

June 1981

Batchelor of Science (BS). Education, Weber State College, Ogden, Utah.

July 1978

Associate of Arts (A.A.) Medical Radiography, Maricopa Technical Community College, Phoenix, Arizona.

June 1976

Associate of Arts (A.A.) General Studies, Glendale Community College

June 1970

High School Diploma, Apple Valley High School, Apple Valley, California.

Professional Experience

May, 2019

Associate Clinical Professor, Boise State University, Boise, Idaho. Full-time appointment to the Radiologic Science department.

August, 2018

Visiting Scholar, Boise State University, Boise, Idaho.

- Two-year teaching appointment in the medical imaging program

August 1992 to present:

Technologist, Arizona Cardinal Football Club

- Lead technologist in sports medicine clinics

June 23, 2019

- Assisted in the design of the digital imaging systems at Cardinal training faculty and University of Phoenix Stadium
- Radiation Safety Officer for department

January 2017 to April 2017:

Adjunct faculty, GateWay Community College.

- Taught three sections of DMI 220, Sectional Anatomy
- Multi-discipline students to include radiography, nuclear medicine, ultrasound, CT and MRI

June 2010 to present

Radiation Safety Officer (RSO), HealthCare Imaging, Ltd.

- Developed protocols, practice standards, and procedures for mobile radiography company
- Review and monitor monthly dosimetry reports
- Provide annual radiation safety inservices
- Provide new employee orientations
- Maintain records for Medicare and Arizona State licensing and inquiries.

May 2002 to June 2016:

Director, Center for Teaching and Learning, GateWay Community College.

- Coordinate faculty development activities for residential and adjunct faculty
- Develop training initiatives for campus-wide implementation
- Manage fiscal and daily operations
- **Retired June 2, 2016**

January 1982 to 2002

Faculty, Medical Radiography Program, GateWay Community College.

- Responsibilities include preparation and instruction of courses, curriculum development, clinical education supervision, and development of competency-based didactic courses.
- Development of didactic and clinical assessment instruments

- Coordination of advanced imaging and continuing education programs, to include CT and MRI training courses.

July 1995 to 2001

Instructional Design Facilitator.

- Developed, designed and implemented curriculum for GateWay Community College.
- Worked with faculty and community to establish occupational programs, general study, transfer, and industry-driven courses.
- Serves as instructional designer facilitator for the Maricopa Community College District Health Care Commission in designing curriculum for various health programs.
- Assisted faculty with development of assessment methodology and instruments.

July 1993 to July 1995

Division Chair, Health Sciences, GateWay Community College, Phoenix, Arizona.

- Supervised and encouraged twelve full-time faculty and administrative aide.
- Provided oversight of thirteen allied health programs

May 1983 to May 1987

Consultant, Project HOPE/ Kingston, Jamaica.

- Assisted with the development of Caribbean-based Curriculum in Radiography at the University of the West Indies (UWI) in Kingston, Jamaica.
- Designed and implemented educational training for the faculty and physician residents from the University of West Indies.
- Designed classroom and clinical evaluation instruments for the medical imaging program at UWI.

August 1981 to December 1981 **Teacher**, Weber School District, Ogden, Utah.

- Classroom teacher, reading specialist, developed gifted/talented science program for elementary students.

May 1979 to August 1981

Clinical Instructor/Shift Supervisor, St. Benedict's Hospital, Ogden, Utah.

- Directed clinical experiences for students, supervised patient care and performed departmental duties.

January 1978 to May 1979

Staff Technologist, McKay-Dee Hospital, Ogden, Utah.

July 1978 Passed National Certification Exam, given by the American Registry of Radiologic Technologists (#147253).

Professional Activities

- November 7 to 10, 2018 **ALATRA Imaging Congress**, Acapulco, Mexico. Presentations including Emotional Intelligence in the Medical Imaging Student, and New Approaches to Radiographic Positioning
- November 9 to 12, 2017 **CIMAS Imaging Congress**, Sao Paulo, Brazil. Presentations included *Variations in Positioning* and *Sports Medicine Imaging*.
- September 5, 2016 **Brazilian Educator's Workshop**. Sao Paulo, Brazil. Provided two-day workshop for imaging faculty. Topics include, learning and teaching styles, alternative assessments, and emotional intelligence
- September 2015 **ALATRA Imaging Congress**, Lima, Peru. *Musculoskeletal Ultrasound in Sports Medicine*.
- September 2014 **ALATRA Imaging Congress**, Santiago, Chile. Presentations on "*Sport Injuries; Imaging Options and Diagnosis*" and *Radiation Protection in a Digital World*
- June, 10, 2010 **Positioning of the Lower Limb and Pelvis Indian Health Services (IHS) Conference**, Phoenix, Arizona.
- February 12, 2009 **Classroom Management Scenarios**, Association of Collegiate Education in Radiologic Technology (ACERT) Conference, Las Vegas, Nevada
- February 11, 2009 **Charles Jacobi Presentation** (keynote)
Title: "Who will follow us and how do we prepare them for the future?" Association of Collegiate Education in Radiologic Technology (ACERT) Conference, Las Vegas, Nevada
- April 28, 2008 **Washington State Society-. Alternative Positioning**. Presentation on alternative positioning of the body.
- April 29, 2006 New Hampshire State Society Conference **Trendspotting Survey**. Presentation on the impact of health care reform on the imaging profession.
- Fall, 2001 to 2002 Educational sabbatical, Maricopa Community Colleges
- Focus was on the pedagogy and tools specific to distance education

- Research into the impact and effectiveness of distance education on student academic achievement and learning
 - Gained training in web-based delivery systems including Blackboard and First Class ®.
 - Developed and implemented hybrid, web-based courses in diagnostic medical imaging.
 - Designed assessment instruments for web-based courses
 - Worked with web designers and faculty at GateWay Community College, Rio Salado College, El Centro College, Midwestern State University and Rose State in design of on-line courses, web pages and assessments.
- 2000 to November 2001 American Society in Radiologic Technology (ASRT)
Select committee to revised professional curriculum in radiography.
- June 6, 2000 Presented at the ASRT Annual Conference. **“Implementation of a Core Curriculum”**
- June 13, 1999 Presented at the ASRT Annual Conference on **“Sectional Anatomy of the Abdomen and Pelvis”**
- May 16, 1998 Presented at Oregon Institute of Technology on **“Sectional Anatomy of the Abdomen”**
- February 21, 1998 Presented lecture at **CT Seminar and Registry Review on Sectional Anatomy**
- February 6, 1997 Presented at ACERT annual meeting on **Core Curriculum**
- February 9, 1994 Presented at ACERT annual meeting on **“Collaborative Teaching Strategies”**.
- January 28, 1993 Presented at ACERT annual meeting on **Universal Precautions and OSHA Standards**. Las Vegas, Nevada.
- 1991 to 1992 Educational sabbatical to return to clinical practice in diagnostic medical imaging and attend Loma Linda University’s Special Imaging Program.
- August 13-17, 1990 Attended the **“La Experiencia: Great Teaching in the Southwest”** Conference, Prescott, Arizona.
- August 9, 1990 Presented at the Health Occupation Educators Conference, Tucson, Arizona. Subject was **“Medical Imaging.”**
- July 24, 1986 Presented at the annual meeting of the ASRT, San Antonio, Texas. Subject was **“Radiography in Jamaica.”**

- October 25, 1986 Presented at the Mid-year meeting of the ASSRT, Sedona, Arizona. Topic was “*Project HOPE around the World.*”
- March 11, 1987 Presented at the Seventh Annual Microcomputers in Education Conference, Arizona State University, Tempe, Arizona. Topic was “*Test Authoring Software.*”
- March 3, 1988 Presented teleconference on “*Expert Systems*” on behalf of Arizona State University, Tempe, Arizona. Presented to various public school districts.
- June 3, 1988 Presented at the annual meeting of the ASSRT, Scottsdale, Arizona. Topic was “*Unique Positions in Radiography.*”

Publications

- Co-authored text, Radiographic Positioning and Related Anatomy, 9th Edition, Lampignano, John P. and Kendrick, Leslie E. Elsevier Publishing, 2017
- Co-authored text, Radiographic Positioning and Related Anatomy, 8th Edition, Bontrager, Kenneth L, and Lampignano, John P. Elsevier Publishing, 2014
- Co-authored text, Radiographic Positioning and Related Anatomy, 7th Edition, Bontrager, Kenneth L, and Lampignano, Elsevier Publishing, 2009
- Co-authored text, Radiographic Positioning and Related Anatomy, 6th Edition, Bontrager, Kenneth L, and Lampignano, Elsevier Publishing, 2005
- Developed web-based positioning product for Elsevier Publishing for the Atlas of Radiographic Anatomy and Positioning. 2005
- Co-authored, workbook, Radiographic Positioning and Related Anatomy, 5th Edition, Bontrager, Kenneth L, and Lampignano, John P., Volume I and II, 2001
- Co-authored article, “A Profile of an Educational Program in Radiologic Technology”. Radiologic Technology, July/August 2000, Volume 71, Number 6
- Co-authored article, “The Middle School Mentoring Program in Allied Health: A Proposed Model” Journal of Allied Health, summer, 2000. Volume 29, Number 2
- Co-authored, workbook, Radiographic Positioning and Related Anatomy, 4th Edition, Bontrager, Kenneth L, and Lampignano, John P., Volume I and II, 1997
- Authored five chapters in the Textbook of Radiographic Positioning and Related Anatomy, Kenneth L. Bontrager., 1995, Rewrote and updated information for current edition.
- Authored article, “Effective Part-Time Instruction,” Visions, Journal for Instructional Effectiveness, Maricopa Community Colleges, Phoenix, Arizona

Professional Memberships

- Idaho State Society of Radiologic Technologists (ISRT)
- American Society of Radiologic Technologists (ASRT)
- Arizona State Society of Radiologic Technologists (ASSRT)
- Association of Collegiate Educators in Radiologic Technology (ACERT)
- Health Occupational Education of Arizona (HOE)

- Maricopa Community College Faculty Association
- Project HOPE Alumni Association

Awards and Honors

August, 2016	Distinguished Faculty Emeritus. Maricopa Community Colleges
February 2001	ACERT Outstanding Educator Award. Association of Collegiate Educators in Radiologic Technology (ACERT).
June 1998	Bonnie Nelson Award for Outstanding Instructional Design Facilitator, Maricopa Community Colleges
April 1995	Outstanding Faculty of the Year, GateWay Community College.
May 1990	Co-Innovator of the Year award, Maricopa Community Colleges, Phoenix, Arizona. Nuclear Medicine Technology Program.
April 1989	S.T.A.R.T. award, GateWay Community College, Medical Radiography program. Given for participation in Student Association in Radiologic Technology.
April 1989	Outstanding Staff Volunteer, GateWay Community College.
March 1988	Outstanding Faculty of the Year, GateWay Community College, Phoenix, Arizona.
May 1981	Outstanding Student Award, Weber State University, College of Education, Ogden, Utah.

Offices Held

Fall, 2000 to 2002	Board Member , National Network of Health Career Programs in Two-Year Colleges.
2001	Mentor, Coalition for Allied Health Leadership (CAHL) Washington D.C. <ul style="list-style-type: none"> ○ Worked with team of educators and health care leaders in leadership development. Coordinated leadership project with team members across the country.
Spring, 2000	Participant , Coalition for Allied Health Leadership (CAHL) as a representative of the National Network for Two Year Colleges. <ul style="list-style-type: none"> ○ Thirty individuals selected to participate in six month national leadership development program sponsored by the Bureau of Public Health in Washington, DC

- 1998 to 2003 **Board Member, Medical Radiologic Technology Board of Examiners (MRTBE).**
- Appointed by Governor Jane Hull on July 15, 1998.
 - MRTBE is an eight-member board that oversees the licensure and clinical practice of radiography in Arizona
- 1997 to 1999 **Chairman of the Board,** Association of Collegiate Educators in Radiologic Technology (ACERT)
- 1995 to 1997 **President,** Association of Collegiate Educators in Radiologic Technology (ACERT)
- 1994-1995 **President-Elect,** Association of Collegiate Educators in Radiologic Technology (ACERT)
- 1991-1994 **Vice-President,** Association of Collegiate Educators in Radiologic Technology (ACERT)
- 1990-1991 **Vice-President,** Arizona State Society of Radiologic Technologists (ASSRT)
- 1988-1990 **Member at Large,** Health Occupation Educations (HOE) Association
- 1986-1987 **Vice-President,** Arizona State Society of Radiologic Technologists, Membership Coordinator
- 1985-1986 **ASRT Counselor and E.C.E. Coordinator** for Arizona, Northern Region
- 1984-1985 **Chairperson,** Education Committee, Arizona State Society of Radiologic Technologists
- 1983-1984 **Secretary,** Arizona State Society of Radiologic Technologists, District One
- 1983 to 1998 **Senator,** GateWay Community College Faculty Association
- 1982-1983 **Member,** Education Committee, Arizona State Society of Radiologic Technologists (ASSRT)
- Fall 1983 **Chairperson,** Education Committee for the 1983 Mid-year Meeting of the Arizona State Society of Radiologic Technologists (ASSRT)
